STATEMENT UNDER 37 C.F.R. §1.137(b)(3)

The above-referenced International Patent Application became abandoned February 29, 2000, for failure to file Instructions to Commence the National Phase under 35 U.S.C. §371. The entire delay in filing the required Instructions, from the due date of February 28, 2000, until the filing of this Petition, was unintentional. As the responsible petitioner, I am in a position to know that such delay was unintentional. The Petition enclosed herewith is filed within two months of my becoming aware of the abandonment of the above referenced International Patent Application, and thus is considered prima facie timely under 37 C.F.R. §1.81(f).
